NORTH WOODFORD COUNTY WATER DISTRICT)	

SHOW CAUSE ORDER

On January 31, 1983, the Public Service Commission ("PSC") requested North Woodford County Water District ("North Woodford") to provide information regarding a complaint by Mr. Harold B. Jeffers. This complaint concerned the charge of \$800 for a service connection charge and a \$215 installation fee. The PSC received a reply on March 9, 1983, from North Woodford informing the PSC that all documents concerning the complaint were being forwarded to its attorney.

A letter was sent to North Woodford's attorney stating that after reviewing all previous and existing tariffs of North Woodford the PSC had determined that North Woodford had charged Mr. Jeffers a connection fee in excess of that authorized by its tariff on file with the PSC. North Woodford was also directed to reestablish service to Mr. Jeffers and refund any excess fees collected.

North Woodford did not respond to the letter of April 19, 1983. North Woodford has not provided service to Mr. Jeffers and has not refunded the excess fees collected. After

considering the matter and being advised, the PSC is of the opinion and finds that North Woodford has not complied with its official tariffs as filed with the PSC.

IT IS THEREFORE ORDERED that North Woodford shall appear at a hearing at the offices of the PSC in Frankfort, Kentucky, on May 25, 1983, at 10:00 A.M., Eastern Daylight Time, and show cause, if any it can, why it should not be subject to the penalties prescribed in KRS 278.990 for failure to comply with the PSC's regulations.

Done at Frankfort, Kentucky, this 20th day of May, 1983.
